DONATE

2009 Third Annual Charity Golf Tournament

June 3, 2009
Middletown Country Club

Benefiting:
The Shelter Program of Bucks County

This program is a part of the **Bucks County Housing Group** to help homeless and abused women with families. They provide extremely low rent apartments, education and training to get these families back into society. They have up to 35 families in need at any given time. When a family moves in, the apartment is bare; our goal is to fund one or more of these families' homes.

Schedule of Events
